CHARACTER STORY		WEAPONS AND POSSESSIONS		
		Item	\$	Wt.
A Black labor-circuit musician who moves through rail sidings, camps, boarding houses, and juke joints carrying rumor, route memory, and the dangerous grace of songs that can make a place remember what it wants buried. He lives by the guitar when he can, and keeps a harmonica in his pocket for the desperate moments when all he can offer is one good song before the dark comes over the lip of the ditch.
